The screenshot shows the iAbida web application running in a Mozilla Firefox browser. The page title is "iAbida - Individual Communication Management - Mozilla Firefox". The browser address bar shows "http://www.iabida.com/". The page features a navigation menu with tabs for Home, Administration, Communications, Education, Emergency (with a red plus sign), and Health. The main content area is divided into several sections:

- Current Subject: Wynn**: Includes a profile picture of a young boy and a "View Details" link.
- Events Calendar:**: A calendar for October 2006. The date "Today : Oct 18, 2006 07:24:10 PM EST" is displayed. The calendar shows the 18th as the current date.
- Recent Activities:**: A table listing recent actions by users. The table has two columns: "Event" and "Date".
- Bulletin Board Messages:**: A section for announcements, including a message about new updates and feedback.

Event	Date

The bottom of the screenshot shows the Windows taskbar with the Start button, several open applications (Palm Desktop, iAbida pres..., Firefox, Microsoft Word), and the system tray showing the time as 8:26 PM on October 18, 2006.

Soon to be Pen-Based!

Pen-based with Mi-Co

- Mobile data capture is critical
 - Education/Schools
 - Health Care
- Digital Pen Advantages
 - Minimal equipment investment
 - Paper is fault tolerant
 - Familiarity - almost no learning curve
- Educating Special Needs Children
 - Initial focus
 - IEPs / Daily Contracts
 - Inter-Disciplinary

Cast of Characters

- Teachers
- Teaching Assistants
- Occupational Therapist
- Speech Therapists
- Resource Specialists
- Local Administrators
- Central Office Administrators
- Parents
- Care Givers (CAP Workers)

Mi-Forms

- Mi-Forms Designer - Easy to Use!
- Flexible and Dynamic
 - Daily Contracts tend to be school specific
 - Per pupil customization is essential
- Dot Patterns allocated per pupil
- Faculty possess digital pens
 - Not the students!
- Dynamic Forms requires self-describing payloads

Daily Contract – Fletcher Academy

Form Pre-Fill

Student's Name

Class Schedule

General Metrics

On-Time

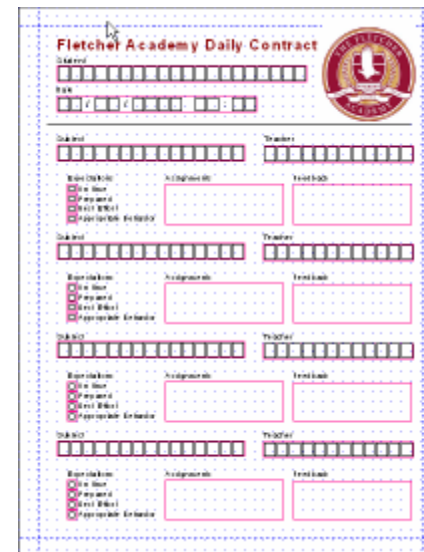

Prepared

Best Effort

Appropriate Behavior

Comments / Notations

Homework

The image shows a sample of the 'Fletcher Academy Daily Contract' form. It is a grid-based form with a header section and four main rows. The header section includes fields for 'Student Name' and 'Class Schedule', each with a grid of boxes for letters and numbers. Below the header, there are four rows, each representing a different class or subject. Each row has a 'Date' field, a 'Teacher' field, and a 'Feedback' section. The 'Feedback' section is divided into three columns: 'On-Time', 'Prepared', and 'Appropriate Behavior'. Each column has a grid of boxes for recording data. The form is titled 'Fletcher Academy Daily Contract' and features the school's logo in the top right corner.
